

COMMUNITY NOTICE

Oso Parkway / Crown Valley Parkway Slurry Seal Improvements

OC Public Works contractors will be performing street improvements along **Oso Parkway** (Las Flores/Wagon Wheel area) and **Crown Valley Parkway** (Ladera Ranch area) to deliver a smoother ride and extend the life of your roadways.

WHAT:

Road surface improvements along Oso Parkway and Crown Valley Parkway — there will be temporary lane closures and no parking in specific areas during these activities.

- Replacing damaged asphalt and sealing roadway cracks
- Applying a protective seal coat ("slurry seal") over the roadway
- Installing new striping and markings

Note: There will be detour signs as needed and traffic control safety measures in place to ensure the safety of the public and project crews. Please allow for additional drive time.

WHEN:

Now through approximately end of October 2017
Work Days/ Hours: Mon through Fri, 9 a.m. to 3 p.m.

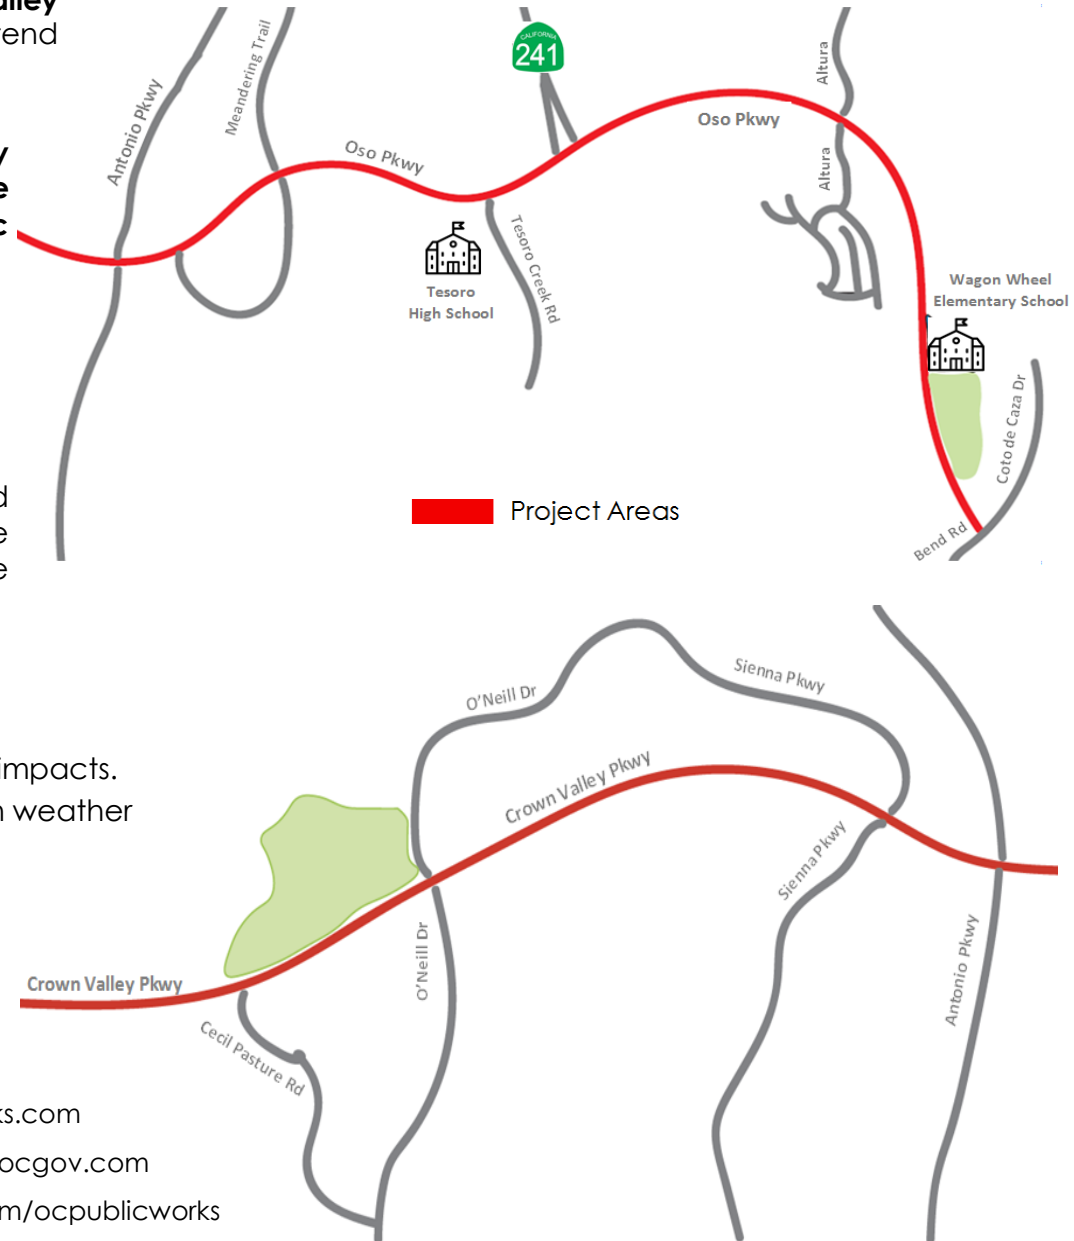

Work hours have been reduced to minimize traffic impacts.

Note: Schedule is subject to change depending on weather and other factors.

WHERE:

Multiple areas along Oso Parkway (Las Flores/Wagon Wheel area) and Crown Valley Parkway (Ladera Ranch area)
